

ESSAY – MY HABITS

by Mariana Navarová

Every morning and evening I go out with my dog. He is very happy when I go out with him because he likes walks in the park.

My biggest hobby is a jetsurf. I also do jetsurf as a sport and I would like to do it competitively. When I ride a jetsurf for a long time, my legs hurt. I enjoy riding a jetsurf a lot. I ride it two or three times a week, because the pond where you can ride on is an hour away from Brno. I would like to ride more often.

Two or three times a month my dad, my brother and me, we go to Krakovec near Olomouc or Vysočina to see a friend. We ride a quad there.

These are my habits and my hobbies.
